arbitrate the existing trouble with the cotton laborers. There are 150 case of diphtheria at Hastings, Mich., and eighteen deaths occurred in the past three days. The schools are closed. Impure drinking water is

believed to be the cause of the epidemic. The Western Union Telegraph Company has gobbled up the telegraph lines and other property of the Bankers' & Brokers' Telegraph Company between New York and Washington. The price paid is \$120,-000. The deed of conveyance was made by John H. Wells and wife.

A number of small telegraph lines, of no particular influence alone, but which promise considerable when combined, talk of consolidation, in order to afford something like real competition for the Western Union. These lines are the new Mutual Union, Rapid, Canadian Mutual and Baltimore & Ohio, which control, in all, about 50,000 miles of wire. As soon as the combination is effected the new company proposes to extend its lines all over the United

Ton man have been arrested at Millstreet, Cork, in connection with the recent "Fenian raid" for arms in that vicinity. In Limerick City the police and military have been confined to their barracks. A stratagem by the "rioters" to decoy them therefrem farled; otherwise there would be some

bloodshed. Two car-loads of glassblowers, with their families, arrived at La Salle, Ill., from Germwny, last night. Two car-loads more are on the way. Some months ago the employees of the De Steiger Glass Company, struck work. The company immediately dispatched a representative to Germany. The arrivals yesterday and those expected are the results of his labors.

The governors of Maine, New Jersey, and Massachussetts have set apart to-day as a day of public prayer for the recovery of the president. The governors of Illinois, Pennsylvania, North Carolina, New York, and Ohio set last Taesday apart for such prayers. Gov. Churchill, of Arkansas, has named the 14th inst., and other chief magistrates have named other days.

The official report of the battle between General Carr and the Apaches shows that Captain O. G. Heutig and six men of the 6th cavalry were killed, and Lieutenant C. G. Gordon and Sergeant MacDonald were wounded. The fight lasted nearly three cramps. Mr. Thomason (who has been

hours, and at 11 o'clock at night the com- lately visiting in Buffalo), indued me to try mand started on its retreat to Fort Apache. By a forced march General Carr reached the fort in safely last Wednesday afternoon. The Indians cut the telegraph wires every

Statistics recently published show that the process of sub-dividing the great plantations of the south is rapidly going forward. In Missississippi, for instance, there were 42,840 plantations in 1860, and the average number of acres in each was 370. Ten years later there were 67,023 farms, the average area of each being 193 acres. In 1880 the number of farms was 75,205, averaging 185 acres each. While the area of cultivated land is less than it was in 1860, yet the production of cotton is nearly twice

Two numbers of the Nibilist journal, the Will of the People, have been issued at St. Petersburg. They contain notices warning spies of the terrible fate which awaits them, a list of donations to the Nihilist fund amounting to 4,000 rubles, also the names of 400 Nihilists arrested since November. The Will of the People also contains an article threatening the Czar and condemning his policy.

A Substitue for Black Walnut.

The Tramp's Drink. A dilapidated-looking tramp, with sixteen distinct patches on his clothes and a plaster over his eye, went into a Main street saloon, slapped down a worn out dime, and bawled out in a voice loud enough to be heard in Og-"Give me a soda water cock-tail with

the north pole in it."

north pole in his drink, ate up all the lunch he could find, chewed up the coffee and cloves, and was tackling the mint, when the bar-tender quietly

A crowd outside, thinking free drinks

were to be set up, crowded into the sa-

loon and watched and waited. The

man of rags, who had ordered the

asked: "What did you say you wanted in your drink, Mr. Gould?" Mr. Gould steadied himself a moment, grinned on the crowd and at himself in the looking-glass, and replied:

"If you please, sir, I'll have the north The bar-tender remembered an old piece of gas-tubing, about three feet in length, which had been left around; he got it and blew some cayenne penper down the inside, put one end of it in the cock-tail, and smilingly handed it to Mr. Gould. Mr. Gould took it, gave a first preliminary pull, and then a burricane arose. It seemed as though the combined tornaloes of eight eastern states had broken loose. An immense conglomeration of legs, arms, hats, canes, and bodies was observed piling out of the saloon a few moments after; and when the saloon-keeper reckons up the loss of a broken head, cracked mirror, scratched and stained counter, and liability of being sued, he will sadly remember the last words of the tramp as he closed the door and shot up the street. - Salt Lake Tribune.

LYDIA E. PINKHAM'S Vegetable Compound has done thousands of women were good than the medicines of many doctors. It is a positive cure for all female complaints. Send to Mrs. Lydia E. Pinkham.

Too Fastidious.

Some would-be Byrons look on with disgust. At the rhymes of Eclectric Oil "paet;" But we have the best article known to the world.

And intend that all persons shall know it.

It cures coughs, colds, asthma and catarrh, Bronchitis and complaints of that kind; It does not cost much, though rheumstics
